

# Premier Education Wraparound Care at Stretham Primary School is back

After the recent school closures we're happy to announce that the before and after school provision will be returning in September 2020 and is now open for bookings.

Premier Education is the largest children's coaching company of its kind in the UK with 20 years of experience - working closely with schools across the country, inspiring children to live a healthy, fit and fun life.

Since February we have been delivering wraparound care at Stretham Primary School. Our aim is to deliver an outstanding provision, with a range of stimulating activities, providing a totally reliable service for busy parents.

“

“My children have come home **excited & happy** after the club, and looking forward to the next day. They had **so much fun**, love the varied activities & snacks on offer.”

“My children **loved their session today**. I feel like Premier Education are taking afterschool care to the next level and am really impressed by the provision.”

## Your children will be in safe hands.

During recent school closures we have continued working in the school - firstly supporting with the care of key worker children, and then with the return of years reception, 1 & 6. We have done the same in over 35 other schools across Cambridgeshire, meaning our staff are experienced and aware of all of the extra considerations needed to prevent the spread of Covid-19.

### Other benefits include

- A well-rounded timetable that mixes multi activity, well-being, arts and problem solving, with an emphasis of fun and inclusion
- A vast range of equipment and resources such as arts & crafts, laser tag, nerf play, fencing & archery
- Healthy breakfast options each morning along with snacks after school including fresh fruit and more
- No up front cost such as registration fees or deposits
- No questions asked refunds for missed sessions
- Discounts for siblings

### Other precautions we have taken to ensure your children will be as safe as possible include

- Creating a brand new non-contact games manual (such as outdoor adventurous activities and gymnastics)
- Devised a brand new scheme of work incorporating social distancing throughout
- Smaller staff to children ratios
- Hygiene controls in place when using all sports equipment
- Frequent hand washing

Spaces available are limited and can be booked now at [www.premier-education.com](http://www.premier-education.com)
