to          the          no          go          I

## Level 4 Spellings

he          she          we          me          be  
was          you          they          are          all  
my          here

## Level 5 Spellings

said          so          have          like  
some          come          have          there          little  
one          do          when          what          oh  
could          should          would          want          their  
Mr          Mrs          love          your  
people          looked          asked          called  
water          where          who why  
thought          through work  
house          many          laughed
