

Hedgehog Class Year 1 Learning Log - Autumn Term 2023

Please choose at least **8 activities** from the choice of 12 over the term. You can choose any task each week and as you only have to complete 8 you will be able to have a few weeks in the term when you don't *need* to complete any! Please put the task number you have chosen clearly at the top of the page.

We will continue to use Seesaw for homework tasks, so please upload a photo of your completed task to Seesaw by a **Wednesday** of each week (if you need a reminder on how to use Seesaw please do get in touch via the school office).

Many thanks for your support; we can't wait to see the wonderful things you create!
