

Rabbit Class Year 2 Learning Log - Summer Term 2024

Please choose at least **8 activities** from the choice of 12 over the term. You can choose any task each week and, as you only have to complete 8, you will be able to have a few weeks in the term when you don't need to complete any! Please let us know the number of the task you have completed. Please upload a photo of your completed task to Seesaw by a **Wednesday** of each week (if you need a reminder on how to use Seesaw please do get in touch via the school office). Many thanks for your support; we can't wait to see your efforts!
