

CHRISTMAS FUNDRAISING

Thank you to all who supported our Christmas fundraising at first the Christmas Fair and then the Christmas Market!

The **Christmas Fair** raised a fantastic **£1120** and we are grateful to the following businesses for their sponsorship of this event: **Champion Plumbing and Heating Services, Cox and Kirby Entertainment and Will Wok** takeaway.

Our **raffle stall at the Stretham Christmas Market** on Saturday 6th December was our most successful stall yet, raising a staggering **£691**.

THANK YOU!

A huge thank you to **Masters Logistical** for kindly sponsoring enough hi-vis vests for every child in the school. These will be used for days out and trips off site, increasing visibility and safety.

We are also grateful to another Stretham based business, **Eco Verde Services**, The Old School, High St for a donation of £232 from their office raffle and also to **Costello Medical Consulting Ltd** for a £75 donation.

Thank you to parents who have volunteered their time this term to help with DIY projects around the school, like putting up the shed which stores OPAL resources and creating the lego table pictured!

And thank you to all parents and carers who have helped at events, made up hampers, donated raffle prizes or helped in any number of ways!

Finally, **thank you to each family** who has come along to our events and supported our fundraising efforts.

In January we will share our totals raised and spent this term- it's been a great term! Have a Happy Christmas and see you in 2026!
