SAVE OUR POOL APPEAL

We have had the wonderful news this week that the Stretham Charity has agreed to give us **£3,000** towards renovating the pool. This amount, together with the donations already raised on our GoFundMe page and the PSA's previous fundraising efforts will allow the pool walls to be rebuilt and the liner replaced. This is fantastic news for the school and the children, who will hopefully be able to swim this year now. We are hugely grateful to the Stretham Charity and to everyone who has donated – **thank you!**

We are now pushing ahead with raising the rest of the funds required to provide a roof and outside toilets. These would allow the school to open up the pool to the wider community, which will not only benefit all in the village, but also generate an income that will ensure that the pool is maintained for years to come.

If you are able to donate, please go to our GoFundMe page at gofund.me/46db00f8 or scan the QR code below.
